

CREATIVE WAYS TO BRING JOY TO YOUR NEIGHBORHOOD WHILE SOCIAL DISTANCING

FRONT YARD GRILL OUT

Instead of keeping the party in your backyard, enjoy out in the front yard. Coordinate with your neighbors so everyone can enjoy the party atmosphere and keep social distance by remaining in your own yard.

BICYCLE PARADE

Organize a neighborhood parade. Have the kids decorate their bikes and ride slowly through the neighborhood. Make sure to keep a safe social distance between riders.

PET COSTUME CONTEST

Dress up your pet with a 4th of July theme or any other theme that you like and parade one by one up and down the block. Have neighbors vote for their favorites and award prizes.

SPARKLERS DOWN THE STREET

Set a time for everyone on your street to come out into their front yard and light sparklers. You can light up your street with a beautiful glow!

CHALK YOUR WALK

Have everyone on your street decorate their driveway or a sidewalk in front of their home. Select a theme and then take an "art walk," and enjoy everyone's creations.

NEIGHBORHOOD BEACH PARTY

Have your neighbors get out wading pools, turn on their sprinklers, put the towels out, play some music and have a lawn-to-lawn dance party!
