

# THE FIRE AT CAMP

to the tune of "Wheels on the Bus"

The fire at camp goes crackle crackle pop

Crackle crackle pop

Crackle crackle pop

The fire at camp goes crackle crackle pop

The whole camp trip long

The rain on my tent goes pitter pitter pat

Pitter pitter pat

Pitter pitter pat

The rain on my tent goes pitter pitter pat

The whole camp trip long

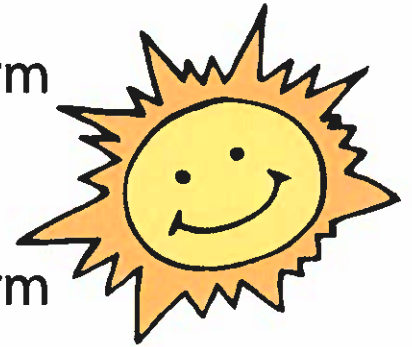

The sun on my face feels so warm

Feels so warm

Feels so warm

The sun on my face feels so warm

The whole camp trip long

(Add these variations)

The birds in the trees go tweet tweet tweet

The camp leader says "Let's go hike!"

The moon at night glows so bright

The water in the river goes whoosh whoosh whoosh

# MOLLY HAD A BIG RED TENT

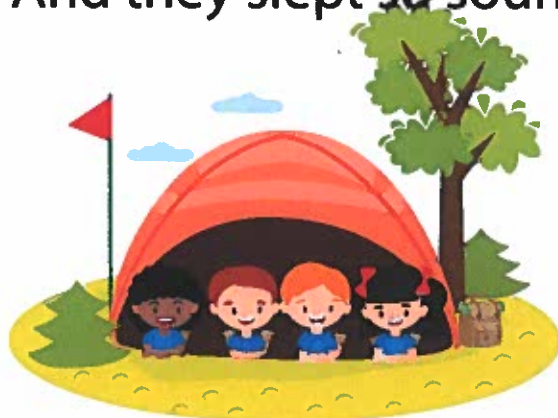

to the tune of "Mary Had a Little Lamb"

Molly had a big red tent  
Big red tent, big red tent  
Molly had a big red tent  
It's strong and watertight

Everywhere that Molly camped  
Molly camped, Molly camped  
Everywhere that Molly camped  
The tent was pitched just right

She set it up at camp one day,  
Camp one day, camp one day  
She set it up at camp one day  
Which made her very proud

It kept the campers warm and safe  
Warm and safe, warm and safe  
It kept the campers warm and safe  
And they slept so sound

# DOWN BY THE CREEK

to the tune of "Down By The Bay"

Down by the creek  
Where the huckleberries grow  
Back to my camp  
I dare not tramp  
For if I do  
My friends will say  
"Did you ever see a berry riding a ferry down by the creek!"

Down by the creek  
Where the huckleberries grow  
Back to my camp  
I dare not tramp  
For if I do  
My friends will say  
"Did you ever see a bear combing his hair down by the creek!"

(Repeat 1st set of lyrics and finish with each of the following)  
"Did you ever see a lamp dancing in camp down by the creek!"  
"Did you ever see a fire made out of wire down by the creek!"  
"Did you ever see a s'more counting to four down by the creek!"  
"Did you ever see a tent that a bear bent down by the creek!"

Five little campers playing in the tent  
One fell down and out he went  
The camp leader saw and then he said  
No more horse play in the tent!

They all fell down and out they went
