Strap on your vest, grab a laser tag gun, check your ammo, and transform your yard into a battle zone for an ultra-hi-tech laser tag war. Run, hide, roll, take aim, and eliminate your enemies to win the game! Includes: 4 guns, 4 vests (front and back), and one charging station. Three target zones (chest, back, and the gun) give your opponent no escape. Trying to remember the score is never fun, so your guns and vests pair together! Lives and team data are automatically synced, and LCDs on the vests and guns allow you to check your status, even in the heat of battle – without having to rely on lights or audio.
